2020 Salary Resolution:

Doug reviews it with the board. Brenda's updated salary that was approved by the board in September will hold and remain the same for 2020. No increase for elected officials. Standard 3% raise will be given to Jeri. Rachna motions to approve. Brian seconds. Jason approves also. 2020 Salary Resolution is adopted. Doug will remain at \$50,000. Board will remain at \$5,000 each. Brenda will remain at \$27,500. Jeri will increase to \$46,865.

Landscaping Update:

Doug reviews and updates on all of the landscaping makeovers, updates, repairs being done to the township buildings. Estimated cost is \$3400. Expected completion is by year end.

Park Update:

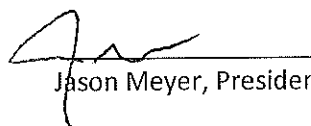

Doug stated that Doug Waggoner with Republic agreed to an easement. Waggoner stated he would put in but that the City of Fishers wants it paved and 12' wide and for it to be used in conjunction with Flat Fork. Megan Schaffer with the City worked with Republic on the easement. Doug (FCT) asked that Republic pay for the easement, after much deliberation, Doug Waggoner agreed. In an on-site review of the easement, Doug (FCT) found that the easement was not paved, permanent markers removed, ton of fill was brought in, trees were cut back to the line and the ravine was filled with boulders. However, it was acceptable to Megan Schaffer and Captain Orusa. Doug (FCT) believes it will paved in the future. Cardno is working on a proposal for the trails. Bridge work should start this year as well. Doug had the parking trimmed up and mowed. He asked that Cardno not do another yard mow to allow grass for rabbits. Doug (FCT) also gave updates on the prosecution of the illegal dumping on the parks ground and the citation for deer hunting on the property.

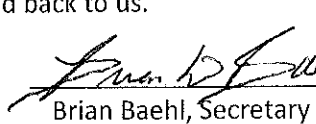

Assistance Update:

Doug reviewed that overall assistance was down and that overall the year has brought in multiple repeat clients. New client numbers were way down.

Cemetery:

Doug indicated that he would be speaking to Commissioner Dellinger at the next Hamilton County Trustee Association luncheon to see about having Helms deeded back to us.
